Lewiston company earns prestigious award from national industry-leading Magazine

LEWISTON, MAINE—Budget Document Technology was recently named a “2021 Elite Dealer” by leading office technology publication, ENX Magazine. This is the third time that Budget Document Technology has been chosen among the nation’s top office technology dealerships.

Budget Document Technology has been an independently owned, New England based office technology and equipment dealer since 1989. The company, with its flagship office in Lewiston, provides customized, customer-focused office solutions for businesses and organizations across the country, resulting in improved workplace efficiencies, reduced costs, and increased employee productivity.

“We’re honored to be recognized as an Elite Dealer for the 2021 year,” said Steve Ouellette, CFO at Budget Document Technology. “The past year has been challenging for everyone. We’re proud of our team for quickly adapting and continuing to go above and beyond in providing outstanding service to our clients and business partners.”

Each year, *ENX Magazine* judges Elite Dealer applicants on a number of criteria, from technical service excellence to marketing proficiency, growth initiatives, technology leadership, industry accolades and philanthropy. Those dealers chosen are profiled in the December issue of *ENX Magazine*.

“We salute this year’s cast of Elite Dealers, who continue to demonstrate an unwavering commitment to customer and technical service excellence in the face of unprecedented challenges,” said Susan Neimes, managing editor of *ENX Magazine*. “Each dealer has exhibited unparalleled resilience in continuing to adapt to the evolving needs of their customer base.
